Reporting period January 1, 2008 to December 31, 2008  
Due June 30, 2009

**USE OF THIS FORM IS MANDATORY** By completing this Annual Report form, you are providing the Minnesota Pollution Control Agency (MPCA) with a summary of your status of compliance with permit conditions, including an assessment of the appropriateness of your identified best management practices (BMPs) and progress towards achieving your identified measurable goals for each of the minimum control measures as required by the MS4 Permit. If an MS4 determines that program status or compliance with the permit can not be adequately reflected within the structure of this form additional explanation and/or information may be referenced in an attachment. This form has significant limitations and provides only a snap shot of MS4 compliance with the conditions in the Permit. After reviewing the information MPCA staff may need to contact the MS4 to clarify or seek additional information. MPCA enforcement policy is to provide the opportunity to respond to any alleged violations before any enforcement action is taken.
