

ORDINANCE
NO. 99-100
HAVEN TOWNSHIP
SHERBURNE COUNTY, MINNESOTA

**ORDINANCE REGARDING INSTALLATION OF UTILITIES OR PLACING OTHER
IMPROVEMENTS ON TOWNSHIP PROPERTY OR WITHIN ROAD RIGHTS-OF-WAY.**

No one may do construction or other improvement on Township property or place any utilities or other obstructions within any Township right-of-way without first obtaining a Permit from the Town Board. The Permit shall contain such terms and conditions, and be in a form as approved by the Town Board. The Town Board may establish a reasonable fee for the Permit.

The Town Board may designate one of its members to issue the Permit. The Town Board may employ engineers, advisors and other experts to assist the Town Board in determining that all conditions of the Permit are met. The applicant, as a condition to the Permit, shall pay all costs for employing such persons, and pay all other costs incurred by the Township in enforcing the Permit.

If in the future the Town Board determines that a change is needed in the roadway or ditches within the Township right-of-way, or to other improvements or structures on Township property, the permittee or applicant shall pay all costs of relocating their utility or structure to accommodate the Township plans.

Approved by the Haven Town Board on March 15, 1999.
