

Resolution No. 2009-200  
Haven Township  
Sherburne County, Minnesota

A RESOLUTION TO CLOSE A ROAD

WHEREAS, the Town Board maintains a number of miles of road within the Township;

WHEREAS, the types and levels of uses are not uniform among these roads;

WHEREAS, the Board determines that some roads are used only occasionally or intermittently and are not needed for regular vehicular traffic;

WHEREAS, keeping these roads maintained, snow plowed and opened is and would continue to be an unwarranted drain of the Township's limited road maintenance budget;

WHEREAS, dead-end roads are seldom used and become places for people to dump trash and debris, which becomes an expense of the Town;

WHEREAS, the roads proposed to be closed serve one or two property owners, who will have access to their properties;

WHEREAS, Minn. Stat. § 164.152 authorizes towns to close and barricade town roads under their jurisdiction;

NOW THEREFORE, BE IT RESOLVED, that the Town Board of Haven does hereby close the following road or road segments:

42nd Street SE from CSAH 8 on the east end to its west end.

BE IT FURTHER RESOLVED, that barricades shall be erected on the road, along with appropriate road closing signs. The Town Board and affected owners may establish a system of gates and locks, whereby the Town and adjacent property owners will have keys to the locks.

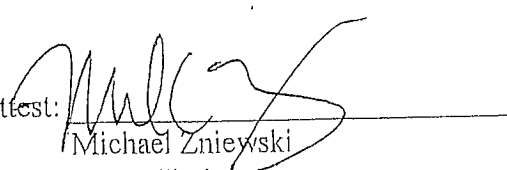

BE IT FINALLY RESOLVED, that the closures shall remain in effect until the Town Board passes a Resolution to rescind this road closure resolution.

Adopted July 20, 2009.

BY THE BOARD

  
Eric Meyer  
Town Chair

Attest:

  
Michael Znievski

Town Clerk
